

Standard Terms and Conditions of Licence Automation Software Licence Agreement

Unless RCT and you (“**Customer**”) have executed a separate written licence agreement, the following standard terms and conditions (**Standard Terms**) apply when RCT agrees to grant a licence to you for the use of RCT’s Automation Software.

1. Grant of licence

- 1.1 RCT grants to the Customer a perpetual (subject to clause 10), non-exclusive and non-transferrable (subject to clause 1.4) licence to use the Licensed Software and the Documentation during the Term, solely in connection with the operation of the Designated Equipment, subject to and in accordance with the terms and conditions set out in this Agreement.
- 1.2 The Licence is attached to a single Designated Equipment.
- 1.3 The use of the Licensed Software is limited to the Customer’s employees and workers under a contract for services.
- 1.4 The Customer must seek RCT’s prior written consent if the Customer wishes to assign, sell or otherwise transfer the Designated Equipment to an Affiliate. The Customer will not unreasonably withhold its consent provided this Agreement is assigned to the Affiliate.

2. Payment

- 2.1 The Customer must pay RCT the Licence Fees before RCT makes the Licensed Software available to the Customer.
- 2.2 If the Customer fails to pay the Licence Fees to RCT, RCT will not grant the Licence to the Customer.

4. Delivery and installation

- 4.1 RCT will deliver the Designated Equipment (containing the Licensed Software) to the Customer’s site, in accordance with the terms of

the supply arrangement or contract between RCT and the Customer.

- 4.2 If required, RCT will test and commission the Licensed Software at the Customer’s site.

5. Intellectual Property Rights

- 5.2 The Customer:
 - (a) acknowledges that RCT owns all Intellectual Property Rights in the Licensed Software;
 - (b) will not directly or indirectly do anything that would or might invalidate or put in dispute RCT’s title in the Licensed Software.

 - (a) promptly notify RCT in writing;

- 6.2 RCT warrants that the use of the Licensed Software will not infringe on any third party’s Intellectual Property Rights.

7. Limited warranty

- 7.1 Except as expressly provided in this Agreement, due to the inherent nature of software, RCT provides the Licensed Software “as is”. RCT expressly disclaims all warranties, conditions or other terms, whether express, implied or statutory, including without limitation, warranties, conditions or other terms regarding

merchantability, fitness for a particular purpose or performance. RCT does not warrant that the Licensed Software will operate uninterrupted or error-free or that all errors will be corrected. In addition, RCT does not warrant that the Licensed Software or the Designated Equipment on which the Software is used will be free of vulnerability to intrusion, attack or harmful code.

7.2 Subject to clause 7.4, RCT warrants that the Licensed Software will substantially conform to RCT's specifications and the Documentation during the Warranty Period. If there is any Demonstrable Error during the Warranty Period, RCT will use its best efforts to rectify the Demonstrable Error.

7.3 After the Warranty Period, if the Customer and RCT have entered into a software maintenance agreement for the maintenance of the Licensed Software, RCT will use its best efforts to rectify any Demonstrable Error at its cost during the term of the software maintenance agreement.

7.4 The warranty in clause 7.2 does not apply in any of the following circumstances:

- (a) The Demonstrable Error is caused or contributed by the Customer's alteration, interference or modification of the Licensed Software without RCT's prior written consent;
- (b) The Customer did not use the Licensed Software in accordance with the Documentation or RCT's instructions;
- (c) The Demonstrable Error is caused or contributed by the Customer's use of the Licensed Software with other software, equipment, services or hardware that is not intended for the Licensed Software or authorised by RCT;
- (d) The Demonstrable Error is the result of the Customer's use of the Licensed Software other than in the environment or with the hardware recommended by RCT.

8.4 Either Party's liability for any claim relating to this Agreement will be reduced to the extent to which the other Party contributed to the damage arising from the claim.

8.5 This Agreement is to be read subject to any legislation which prohibits or restricts the exclusion, restriction or modification of any

implied warranties, conditions, guarantees or obligations. If such legislation applies, to the extent possible, RCT limits its liability in respect of any claim to, at RCT's option:

13.3 Nothing contained in this Agreement creates any relationship of partnership or agency between the parties.

13.4 If a provision of this Agreement is invalid or unenforceable it is to be read down or severed to the extent necessary without affecting the validity or enforceability of the remaining provisions.

13.5 Each Party must at its own expense do everything reasonably necessary to give full effect to this Agreement and the events contemplated by it.

13.6 This Agreement (and any documents executed in connection with it) is the entire Agreement of the Parties about its subject matter and supersedes all other representations, arrangements or agreements.
