

RCT'S VALUES AND VISION

RCT'S VISION IS TO DELIVER SMART TECHNOLOGY – THE RIGHT TECHNOLOGY FOR THE RIGHT APPLICATION – TO BENEFIT OUR CLIENTS' BUSINESS.

Our values encapsulate how we do business:

We operate anywhere in the world, with **commitment and integrity**: we do what is right and we do what we say we will do.

We observe, listen, problem solve and collaborate to provide **unrivalled client service**.

We take ownership and accountability of our actions. We are pro-active and professional. Our enthusiastic **'can-do' attitude** is world-renowned.

We work actively, intensively and collectively. Personal and professional empowerment is encouraged. We **co-operate as a team** and thrive on going the 'extra mile'.

We are creative. We believe in continuous improvement. We respond to the market and collaborate to bring about **innovations that have purpose**.

We **respect** ourselves, each other and our clients. We are sensitive to cultures. We foster and grow potential, bringing shared value to places we work.
